JOINT STATUS REPORT ON THE
PROGRESS OF SETTLEMENT
BETWEEN APPLIED SIGNAL,
COMTECH EF DATA, EMERGING
MARKETS COMMUNICATIONS, AND
EMC SATCOM TECHNOLOGIES, AND
REQUEST FOR EXTENSION OF
RELIEF FROM THE CASE
MANAGEMENT SCHEDULING
CONFERENCE ORDER

1 Pursuant to the Joint Status Report dated November 22, 2010 (Dkt. No. 197),
2 defendants Emerging Markets Communications, Inc., and EMC Satcom Technologies,
3 Inc. (collectively "EMC"), plaintiff and counter-defendant Applied Signal Technology,
4 Inc. ("AST"), third-party defendant Comtech EF Data Corp. ("Comtech"), submit this
5 joint status report on the progress of settlement.

6 As previously reported to the Court, AST, Comtech, and EMC agreed at the
7 settlement conference before Magistrate Judge Zimmerman to settle their dispute. The
8 parties have exchanged written draft settlement license proposals and are in general
9 agreement on many license terms, though certain terms are still subject to ongoing
10 negotiation.

11 On November 22, 2010, the parties filed a Joint Status Report requesting
12 additional time to finalize their settlement to January 14, 2011. It has come to the
13 attention of the parties that the proposed order attached to that report was never signed
14 and entered by the Court granted the extension to January 14, 2011. However, due to a
15 number of factors, including the many unusual and customized provisions being
16 negotiated, the parties continue to work diligently to finalize their agreement. The parties
17 firmly believe they are very close to having the settlement finalized. As such, the parties
18 respectfully and jointly stipulate and request that the Court extend the stipulated January
19 14, 2011 date for a period of thirty (30) days from the existing date of January 14, 2011
20 to February 14, 2011. The parties will continue to work diligently during this time to
21 finalize their settlement license agreement, which the parties continue to expect will
22 result in the dismissal of the EMC entities from this litigation.
